

Roslyn High School App

Privacy Policy

By using the Roslyn High School app (RHS app,) you agree to and understand the following terms and conditions.

1. The RHS app is intended for the use of Roslyn students, parents, and faculty only. It is expected that you do not use the app if you are not enrolled in, a parent whose child is enrolled in, or work for the Roslyn School District.
2. When opening the RHS app for the first time, you are asked for your first name, last name, and grade. This information is only used for app personalization, is stored locally on the device, and is not used for any account in any fashion.
3. The RHS app does not have access to or track any information on your phone other than what is included in the RHS app itself.
4. The RHS app sends both push and local notifications. In order for some features to work, you are required to allow the app to send notifications. You will never be spammed with notifications and you can deactivate them at any time in Settings.
5. Period notifications are alerts that come to your phone five minutes before the end of the periods you have selected. It is recommended to only use period notifications during free periods to avoid class distractions. Sweet development is not responsible if your device is confiscated because of use during class.
6. Some features in the RHS app load information from the internet. Data charges may apply depending on your cellular plan.
7. All content in the Student Life feature of the RHS app has been approved by the person(s) who provided it and has been allowed to be featured on the page.
8. Any user may tweet a picture, video, or text to @RHSapp for a chance to be featured on the Student Life page. By tweeting content to @RHSapp, you hereby approve it to be included in the Student Life page of the RHS app and you understand that it can be seen by anyone who downloads the app, even if they are not a student, parent, or faculty member of the Roslyn School District.
9. Not all tweets sent to @RHSapp will be featured on the Student Life page. All content on the Student Life page must be and will be reviewed and approved by Sweet development before it is posted.
10. The Student Life page is a clean and safe environment. Any tweets sent to @RHSapp that include references that are not limited to - sex, drugs, alcohol, offensive language, bullying, insults, or are overall inappropriate, will not be featured on the Student Life page and may be reported to school officials.
11. It is recommended that the RHS app is not used during classes to avoid the distraction of yourself and other students. Sweet development is not responsible if your device is confiscated because of use during class.
12. If you have any further questions, please contact Sweet development by e-mail at mitchellsweet168@aol.com or by phone at +1 (516) 399-1791
